

Arezzo, October 2022

**To the kind attention of our customers**

**Subject: Declaration of compliance with European regulations on the restriction of use of certain hazardous substances and the Regulation on the registration, authorization and restriction of chemical substances (RoHS, SVHC, REACH, WEEE, PFOS, PEOE)**

We hereby inform you that our products, unless otherwise specified in the Safety Data Sheet, are free from Lead, Cadmium and other dangerous substances, in accordance with current European regulations on environmental safety and health protection of the operators involved in the production and use of such products.

In particular, they do not contain:

- Substances "Very High Concern" (included in the SVHC list of the REACH Regulation) in a concentration above 0.1% by weight.
- Substances with restricted use or introduction on the market included in Annex XVII of the REACH Regulation, as amended by EC Regulation no. 552/2009
- Substances with restricted use in electrical and electronic equipment, as indicated in Annex II of Directive 2011/65 / EU (RoHS Regulation)
- Substances restricted for use, introduction on the market and dangerous in relation to the latest updates on RAEE, PFOS, PEOE.

For detailed information about classification and danger, please refer to the safety data sheets of each article, which you should always consult carefully before using the product.
